Trail Name: Braintree Pass Path

Section Name/Description:

Chickatawbut / 3000s

Work Completed (Please be specific with location of work. Note hazards & potential hazards addressed if applicable):

Removed branches from trail, and trimmed pines, especially near intersections, from 3072 to 3092. Some cutting was as aggressive as I dare, since the trail was very closed in, and this is another fine old carriage road, where visitors can walk, side by side.

Total Hours (# of people x hours worked): 1.00

Work Remaining:

Other comments (areas of concern, wildlife sightings, trail markings and signage condition, need for re-route, possible encroachment):

I love this section of the park, and am so happy to work in it. Caleb continues to do excellent work on Hemlock Bound Trail. Peepers were making about one peep, as if complaining of the cold (it was snowing) and then heading back to the muck.
